

What are CLCs?

Many students are seeking an alternative to the traditional route of earning a high school diploma. The performance-based diploma at the Greenbush Community Learning Centers may be just the alternative students are seeking.

The Community Learning Centers have been developed by Greenbush and area school districts in an effort to provide an alternative education for students who have dropped out of school.

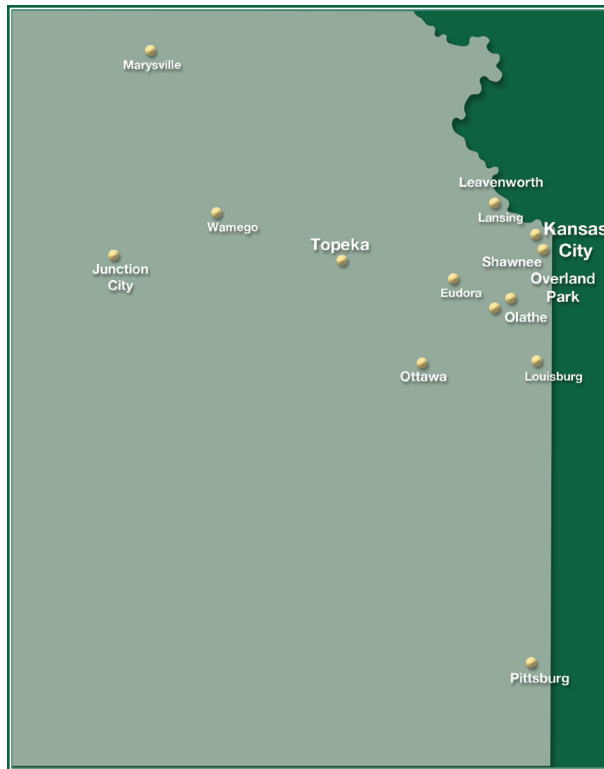

A motivated student can conceivably complete the coursework in much less time than in a traditional classroom.

We offer classes that are tailored to meet the individual needs of our students.

We have flexible hours to accommodate busy schedules.

Imagine the possibilities...

At the time, there seemed to be many reasons to leave school. As right as they seemed then, those decisions may not fit the future you want to pursue.

QUEST is a community learning center designed for you.

Registration is \$10⁰⁰ and classes are free.

QUEST offers flexible schedules, allowing students to work at their own pace. Teachers are here to help when you need it. Nighttime hours and summer sessions are also available.

You are eligible for our HIGH SCHOOL DIPLOMA PROGRAM only after you have turned 18, and after your original high school class has graduated.
